The activities of the Supervisory Board in the year 2016 concentrated around matters of material importance for the operations of the Company. The Supervisory Board carefully observed all aspects of the Company's activity and the activities of the Management Board. The scope of activities subject to control, consultations and opinions of the Supervisory Board included significant fields of activity, such as assessing financial statements and the

Management Board's reports on the Company's operations, and approving and consenting to the Management Board's performance of certain activities reserved for the competence of the Supervisory Board. The Supervisory Board analyzed the Company's financial results, the course of the investment process and matters regarding key projects implemented by the Company's Management Board in the year 2016 on a regular basis.

Opinions expressed by the Supervisory Board were favorably received by the Company's General Meeting, which adopted decisions in accordance with the Supervisory Board's recommendations.

Taking into account the resolution of the Annual General Meeting of FABRYKI MEBLI "FORTE" S.A. adopted on 22 June 2011, the Supervisory Board serves as the audit committee.

The Supervisory Board conscientiously fulfilled the tasks of a specialized body exerting control over the management of the Company on behalf of the shareholders. The Supervisory Board is composed of individuals with vast experience and professionalism, who possess the potential which allows to analyze the information received from the Company. Also the participation of independent Members of the Supervisory Board in the activities was a guarantee of using objective assessment criteria for issues submitted for analysis by the Board.

The Supervisory Board, as a group of experts, also performed advisory functions to the Management Board, contributing their knowledge and experience and offering support in the decisions made.

The Supervisory Board reliably and efficiently supervised the actions of the Management Board and expresses a positive view of its activities in the financial year 2016.

II ASSESSMENT OF THE COMPANY'S STANDING INCLUDING THE ASSESSMENT OF INTERNAL CONTROL SYSTEMS, RISK MANAGEMENT, COMPLIANCE AND INTERNAL AUDIT.

The Company's Management Board is responsible for conducting the accountancy of the Company in accordance with the Act of 29th of September 1994 on accountancy (J. Of L. No. 121 it. 591 as amended) and International Standards of Financial Reporting and for the system of internal control, risk management and effectiveness of functioning of these systems

in the process of preparing financial reports. The content-related supervision over the preparation process of financial reports and periodical reports of the Company is executed by the Member of the Management Board responsible for Financial Issues. The Management Board in the process of current process of management and directing the Company as well as in the phase of preparing the periodical reports, makes on a currently basis, during the whole financial period, a periodical review of the factors significant for the company. In order to assure reliability and correctness of the process of preparing and developing the financial reports, a number of control mechanisms were designed and implemented which are an integral part of the reporting system. The mechanisms involve, in particular, using the review of the reporting data on a permanent basis with the accounts, analytical data and other documents constituting the basis to prepare the financial reports and applicable law provisions in the scope of accountancy and preparing financial reports.

The company has proper procedures for preparing the financial reports aiming at assuring the completeness and correctness of including all economic transactions in a given scope.

Monitoring completeness of economic events is supported by the system for electronic flow of documents V-desk. The access to the electronic flow of documents is available for all employees of the Company.

The Company implemented the investment procedure which allows for executing the full supervision over each stage of planning and realizing the investment.

The Company manages the risk with reference to the process of preparing the financial reports also by means of current monitoring changes in the provisions and external regulations concerning the reporting requirements and preparing themselves to introduce them with a significant time advance.

Annual and mid-half financial reports are subject to independent audit and review by the Company's auditor. The results of the audit are presented by the auditor to the Company's management at the summary meetings.

The procedures of the internal control applicable in the Company and the system of risk management significant for the Company. The Supervisory Board assesses as the coherent, stable and effectively acting tools allowing to limit the risk connected with the current activity significantly.

In 2016 FABRYKI MEBLI "FORTE" S.A. finalized the development works aiming at implementing a complete integrated system of risk management, supporting the management process on a strategic and operational level. The Company is aware of the risk related to the

conducted activity and has implemented control mechanisms which enable it to manage risk and keep it at acceptable levels, both in production divisions and in other fields of activity. The Supervisory Board expresses a positive view of the internal control system and significant risk management system functioning at the Company in 2016, and concludes that their functioning limits the main risks in the Company's activity.

An Internal Audit Office was established in the Company in 2016. The system of internal audit functions in accordance with the IIA's International Standards for the Professional Practice of Internal Auditing, on the basis of the principle of autonomy, and it can cover all areas of the Company's and the Capital Group's activity. The Audit Office systematically investigates and monitors control mechanisms and identified potential risks in individual processes, as well as identifies deficiencies and shortcomings in relation to applicable procedures. The rules of cooperation of the Internal Audit Office with the Company's Supervisory Board have been developed and implemented. The Supervisory Board has approved the Internal Audit Charter of FABRYKI MEBLI "FORTE" S.A. which specified the principles of the Internal Audit Office's operation and conducting audits in the Company and the Capital Group. Auditing activities have been performed on the basis of the "Auditing plan for the year 2016" which has been approved by the Management Board and by the Company's Supervisory Board.

Over the course of the last year 2016, the Company developed and implemented numerous internal regulations and procedures in order to ensure its functioning in accordance with applicable laws and FORTE's ethical standards. At the same time, the Management Board and the Company's management communicate to their employees, business partners, suppliers and other entities cooperating with FORTE that they follow applicable legal regulations and the highest ethical standards.

In the opinion of the Supervisory Board, the Company's situation is stable. The Supervisory Board does not see any real threats to the functioning of the Company, and the financial results achieved for 2014 should be considered satisfactory.

III ASSESSMENT OF THE METHOD OF FULFILLING THE INFORMATION OBLIGATIONS BY THE COMPANY CONCERNING THE USAGE OF THE PRINCIPLES OF CORPORATE GOVERNANCE DEFINED IN THE REGULATIONS OF THE STOCK EXCHANGE AND THE PROVISIONS CONCERNING THE CURRENT AND PERIODICAL INFORMATION TRANSFERRED BY THE ISSUERS OF THE SECURITIES.

The Supervisory Board assessed the realization method of the information obligations by the Company concerning the corporate governance, defined in the regulations of the Warsaw Stock Exchange S.A. in Warsaw and the provisions concerning the current and periodical information transferred by the issuers of the securities.

FABRYKI MEBLI „FORTE” S.A. complies with the principles of corporate governance and realizes the information obligations defined in the provisions concerning the current and periodical information transferred by the issuers of the securities. The Company published in the EBI system the report concerning the scope of application of „Good Practices of the Companies Listed at WSE 2016”, from which it clearly results that a vast majority of the detailed principles has been applied by the Company. At the same time, the Company indicated and justified which detailed principles are not applied. In the text of the document „STATEMENT ON APPLICATION OF THE PRINCIPLES OF CORPORATE GOVERNANCE BY FABRYKI MEBLI FORTE S.A. IN 2016” constituting an integral part of the annual report for 2016 the Management Board of FABRYKI MEBLI „FORTE” S.A. in accordance with the requirements of the principles of the corporate governance indicated in detail and described which recommendations from „Good Practices of the Companies listed at WSE 2016” it does not use.

The Company published on its website the information and documents defined in the collection „Good Practices of the Companies listed at WSE”.

FABRYKI MEBLI „FORTE” S.A. shall transfer with the use of the ESPI system and publishes at its website all current and periodical reports.

In the opinion of the Supervisory Board of FABRYKI MEBLI „FORTE” S.A. it properly and reliably fulfills the information obligations concerning the application of the principles of the corporate governance, defined in the Regulations of the Warsaw Stock Exchange Warsaw S.A. and the regulations concerning the current and periodical information transferred by the issuers of the securities.

IV ASSESSMENT OF RATIONALITY OF THE CHARITY AND SPONSORING ACTIVITY CONDUCTED BY THE COMPANY

In 2016 The Company's Management Board adopted a Policy of FABRYKI MEBLI „FORTE” S.A. in the scope of charity and sponsorship activity (hereinafter: Charity policy). Under the executed Charity policy, the Company focused its activity of sponsoring and charity nature mainly on supporting the initiatives aiming at levelling the social differences and counteracting the social exclusion of children and the youth which were especially talented, needing help and being in a difficult life situation.

The Company undertook numerous initiatives and actions which supported broadly understood education and comprehensive development of a young generation. The involvement in the development of culture, preservation of cultural output and national heritage and institutions and cultural events, which were located, first of all, in the places of conducting professional activity of the Company.

FABRYKI MEBLI „FORTE” S.A. works actively to support education by cooperating with universities and high schools educating the future employees of the Company, and also by giving non-financial support to equip the educational units and by supporting research as well as educational and scientific activity connected with the development of the wood and furniture industry.

An important element of executing the Charity policy is the “FORMY – Program Inicjatyw Pracowniczych” (“FORMY – employee initiatives programme”) project, started in 2016. Under the programme, each employee may be granted financial or non-financial support from the company for the implementation of their own project aimed at local communities in the regions of FORTE's activity.

In the opinion of the Supervisory Board the sponsoring and charity activity conducted by FABRYKI MEBLI „FORTE” S.A. constitutes an important element of shaping the positive image of the Company as socially responsible, in being particular involved in education and shaping the young generation.
