   The Acquired Company and the Acquiring Company are referred to in this Merger Plan as the Companies.

II. Method of merger (Article 499(1)(1) of the CCC)

The merger will be carried out in accordance with Article 492(1)(1) of the CCC through the transfer of all assets of DYSTRI-FORTE sp. z o.o. based in Ostrów Mazowiecka to Grupa Forte S.A. based in Ostrów Mazowiecka, taking into account the provisions on the simplified merger procedure specified in Article 516(6) of the CCC.

Pursuant to Article 516(6) read together with Article 516(5) of the CCC, the Merger Plan of

Grupa Forte S.A. and DYSTRI-FORTE sp. z o.o. will not be audited by an expert appointed by the registry court, nor will written reports of the Management Boards of each of the merging companies justifying the merger be prepared.

III. Omitted elements of the Merger Plan (Article 499(1)(2), (3) and (4) of the CCC).

Given that the Acquiring Company holds 100 per cent of the shares in the share capital of the Acquired Company, the merger will be carried out under the so-called simplified procedure, i.e. pursuant to Article 516 § 6 in conjunction with Article 516 § 5 of the Commercial Companies Code. Consequently, the Merger Plan does not include:

a) the exchange ratio of the Acquired Company's shares for shares in the Acquiring Company; in particular, no shares in the Acquiring Company will be issued to shareholders of the Acquired Company, nor does it cover the amount of any cash top-ups (Article 499 § 1(2) of the Commercial Companies Code),

b) the rules governing the allocation of shares in the Acquiring Company (Article 499(1)(3) of the Commercial Companies Code),

c) the date from which the shares in the Acquiring Company allocated to the shareholders of the Acquired Company entitle them to a share in the Acquiring Company's profits (Article 499(1)(4) of the Commercial Companies Code) .

Furthermore, given that the merger of the Companies will be carried out without an increase in the Acquiring Company's share capital (Article 515(1) of the Commercial Companies Code), i.e. it will not give rise to new circumstances requiring disclosure in the Acquiring Company's Articles of Association, the Articles of Association of Grupa Forte S.A., with its registered office in Ostrów Mazowiecka, will not be amended. For this reason, the requirements of Article 499 § 2(2) concerning the attachment of a draft amendment to the Articles of Association of the Acquiring Company to the Merger Plan do not apply.

II. Rights granted by the Acquiring Company to shareholders and persons with special rights in the Acquired Company (Article 499(1)(5) of the CCC)

In connection with the merger, the Acquiring Company is not expected to grant any rights to shareholders or persons with special rights in the Acquired Company.

III. Special benefits for members of governing bodies of the merging companies as well as other persons participating in the merger (Article 499(1)(6) of the CCC)

In connection with the merger, no special benefits are expected to be granted to members of governing bodies of the merging companies or to other persons participating in the merger.

IV. Information pursuant to Article 499(4) of the CCC

The Acquiring Company represents that due to the fact that it meets the requirements set forth in Article 499(4) of the CCC, i.e. that it is a public company which, in accordance with the regulations on public offering and conditions governing the introduction of financial instruments to organised trading and on public companies, publishes and makes available to shareholders its semi-annual financial statements, the Acquiring Company is not required to prepare and attach to the Merger Plan the information on financial standing referred to in Article 499(2)(4) of the CCC.

V. Consents and permits

Pursuant to Article 14(5) of the Act of 16.02.2007 on Competition and Consumer Protection (Journal of Laws of 2025, item 1714), the merger does not need to be notified to the President of the Office of Competition and Consumer Protection because the Acquiring Company and the Acquired Company belong to the same group, i.e. the Grupa Forte S.A. Group.

The Acquired Company is neither owner nor perpetual usufructuary of agricultural land within the meaning of Article 2(1) of the Act of 11.04.2003 on Formation of the Agricultural System (Journal of Laws of 2026, item 941).

a) Acquiring Company - www.forte.com.pl
b) Acquired Company - www.dystriforte.pl

VII. Other provisions

If any provision of the Merger Plan proves to be invalid or unenforceable, the validity or enforceability of the remaining provisions of the Merger Plan will not be affected. The invalid or unenforceable provision will be replaced by a valid and enforceable provision that best reflects the purpose of the invalid or unenforceable provision and its original intent. The same applies analogously to any gaps in the Merger Plan.

VIII. Appendices to the Merger Plan

In accordance with Article 499(2) of the CCC, the following documents are appended to the Merger Plan:
